SUBJECT: Official International President Decision - Article L Appeal
Case#2025-10-23-KS

The International President's office has rendered a decision regarding an internal Article L appeal concerning IAM Local 1782 Case No. 2025-10-23-KS, setting aside the prior local trial determination on procedural grounds and directing the reinstatement of the affected positions. The Executive Board is taking prompt action to fully implement these directives.
